

Job Opportunity - Bar Runner Role

We are looking for a bar runner to help during busy periods at The Aviator. The bar is a recent start-up in the Newton Aycliffe industrial estate, seeing huge growth and success in its early months.

A bar runner would be responsible for clearing glasses from tables, loading and unloading the glass washer, manually cleaning glassware and bar equipment, cleaning the bar, and helping bartenders. They may also take orders from customers if required and will be trained on the till system.

Hours

	Working Hours	Total hours
Friday	5:00/6:00 pm to 11:00 pm	5/6 (Flexible)
Saturday	5:00 pm to 11:00 pm	6

Hours will be a minimum of 5 depending on Friday evening start times, though a zero-hours contract would be available if the candidate would prefer. Hours may increase further if required.

Pay

This position will pay the national minimum wage relevant to the age of the successful applicant. This may be increased over time based on performance.

Ideal Candidate

Our ideal candidate would be a young individual who is looking for a few hours of work alongside school or college. Bar hours will not overlap with normal working/school hours, and the start time for Friday is flexible between 5pm and 6pm.

Some experience is preferred, working as a waiter/waitress or bartender in a bar or restaurant environment, however this is not mandatory. Ideal candidates would have a polite and welcoming manner to make our guests feel comfortable, and to compliment the high-quality service that we pride ourselves on.

Please note that there is no educational requirement for this role, and the minimum age for the position is 16 years old.
